**2.2.** Authorizations may be executed under this Areawide Contract at any time during the term of the contract, up to and including the last effective date. **2.4.** Nothing in this Areawide Contract shall be construed as precluding the ordering Agency and the Contractor from entering into an Authorization for negotiated rates based upon unique water or sewage usage patterns or service of a special nature, provided such negotiated rates or service are in accordance with applicable rules and regulations.

### **ARTICLE 3. EXISTING CONTRACTS.**

**3.1.** The parties agree that an Agency currently acquiring service from the Contractor under a separate written contract may continue to do so until that contract expires or until such time as the Agency and the Contractor mutually agree to terminate that separate written contract and have such service provided pursuant to this Areawide Contract by executing an appropriate Authorization or Authorizations.

Upon execution of an Authorization by both the Contractor and the ordering Agency, the date of initiation or change in service shall be effective as of the date specified in the Authorization. An executed copy of the Authorization (cover page only) shall be transmitted by the ordering Agency to GSA at the address provided in Article 16.1.

**4.2.** During the term of this Areawide Contract, effective Authorizations need not be amended, modified, or changed by an Ordering Agency to reflect changes in: accounting and appropriation data, the Contractor's tariff, or the estimated annual cost of service. Such changes are considered internal to the party involved. Where changes are required in effective Authorizations because of a change in the service requirements of an Ordering Agency, an amended Authorization shall be mutually agreed upon and executed.

**4.3.** An ordering Agency or the Contractor may discontinue service provided pursuant to this Areawide Contract to a particular Federal facility or installation by delivering a written Termination Authorization to the other. Such discontinuance of service by an ordering Agency or the Contractor shall be in accordance with the terms of this Areawide Contract and the Contractor's Tariffs.

**4.4** Within the authorities of the Ordering Agency, the term of any individual Authorization is independent of the expiration date of this Areawide Contract and the conditions and articles of this Areawide Contract shall apply throughout the term of any Authorization placed against it in accordance with Article 18.4 herein.

**5.3** The Contractor hereby represents and warrants to the Federal Government that the service rates available to any Ordering Agencies hereunder shall at all times not exceed those available to any other customer served under the same service classification for the same or comparable service, under like conditions of use. Nothing herein shall require the Contractor to apply service rates that are inapplicable to the Ordering Agency.

**5.4** In the event of a permanent change in the class of service furnished to any ordering Agency at a particular service location, water and sewage services shall, effective sixty (60) days after written request is made by either party or at such other time as may be agreed upon, thereafter be available to such ordering Agency at such service location at the lowest available rate schedule of the City which is applicable to the class of service furnished, following such permanent change and which is applicable in the area where such services are furnished.

**18.3. Obligation to Serve:** Nothing contained in this contract shall obligate the Contractor to take any action which it may consider to be detrimental to its obligations as a supplier of water and sewage services so as to furnish reliable and continuous service and to operate facilities which are safe, adequate, just, reasonable, economical, and efficient.
